Resort Summary	<p>We are an upscale destination resort located on a beautiful meadow in Lassen National Forest. Truly breathtaking at an elevation of 5,000 feet in the mountains of Northern California. The biggest attraction to our area is Lassen Volcanic National Park and people come from all over the world to visit in the summer months. We have expanded our property and have 3x's the overnight space for travelers and RV Park. Our fine dining restaurant and full-service bar is upscale and attracts locals and overnight guests. Privately owned - not a chain - located on a beautiful mountain meadow. If you like city life and crowds this is NOT for you. We are in the forest. We see deer, cows, birds daily, along with scenic panoramic views. Rarely a bear sighting but they stay away from people. An abundance of beautiful streams to fish in, so bring your fishing pole! Hiking trails in Lassen Park are abundant.
