Community	City Community						
Resort Summary	The Utah Olympic Park is a multi-purpose facility that was built originally for the 2002 Winter Olympic Games. We operate as an athlete training facility year-round, as well as an adventure park in the summer season! Working at the UOP is a unique opportunity because you will be working at the same venue that Olympic level competitions were held at! In addition to working at an iconic Olympic facility, you will also be working within the largest department in our foundation. We employ a large number of staff in Mountain Adventures, which will give you plenty of opportunities to meet many new faces and make many new friends during your time in Park City! Additionally, the Park City area is full of recreational opportunity, shopping centers, nightlife, concerts, etc. The Park City area is a highly sought after tourist destination and working with the Utah Olympic Park will put you into the heart of the action!
